**Your Community
Electric Cooperative**

UNCLAIMED CAPITAL CREDITS

Sangre de Cristo Electric Association (SDCEA) is a not-for-profit electric cooperative. At the end of the year, our financial statements show whether revenue exceeded costs and resulted in a positive margin. Margins are used by SDCEA for operating capital and, over time, may be paid back to our members in the form of capital credit refunds when the financial position of the cooperative permits and policy provisions are met.

If you had electric service with SDCEA during a year for which the board of directors has approved the return of capital credits, that amount will be reflected as a bill credit on your November bill. For those who move to a new location and no longer receive service on our lines, it is important to leave a forwarding

address with us, as we will send you a refund check instead of a bill credit.

In December 2023, SDCEA refunded credits to members who received service in 1997, 2004 and 2005. SDCEA posted credits to more than 3,800 accounts and mailed over 7,500 checks for a total refund of \$239,080. Uncashed capital credit funds are utilized by SDCEA for charitable giving.

What follows is a list of names from SDCEA's 2023 capital credit retirement to whom checks were mailed that were returned because we did not have a valid address. Or, in some cases, checks were simply not cashed.

If you recognize a name on this list, please have the person or their heirs contact us.

Email: info@myelectric.coop or call 719 395-2412 or toll-free 844 395-2412.

CAPITAL CREDITS
are profits returned
to you, our members.

Sangre de Cristo Electric Association
Your Community Electric Cooperative

Learn more at
myelectric.coop/capital-credits-explanation/

SDCEA tracks **HOW MUCH YOU PAY** for service during the year.

At the end of the year, SDCEA closes its books and **DETERMINES IF REVENUES EXCEED EXPENSES**, called profits.

SDCEA's **PROFITS ARE ALLOCATED TO MEMBERS**, as capital credits, based on how much you paid for service during the year.

As SDCEA's financial conditions allow, the board of directors may elect to pay a portion of these **CAPITAL CREDITS BACK TO MEMBERS**.

If you currently have service with SDCEA, your **CAPITAL CREDITS APPEAR ON YOUR NOVEMBER BILL**. (Or, if you are no longer a member, your capital credit check is mailed in December.)

CAPITAL CREDIT REFUNDS CONTINUED

CAPITAL CREDITS
are profits returned
to you, our members.

Sangre de Cristo Electric Association
Your Community Electric Cooperative

Learn more at
myelectric.coop/capital-credits-explanation/

SDCEA tracks **HOW MUCH YOU PAY** for service during the year.

At the end of the year, SDCEA closes its books and **DETERMINES IF REVENUES EXCEED EXPENSES**, called profits.

SDCEA's **PROFITS ARE ALLOCATED TO MEMBERS**, as capital credits, based on how much you paid for service during the year.

As SDCEA's financial conditions allow, the board of directors may elect to pay a portion of these **CAPITAL CREDITS BACK TO MEMBERS**.

If you currently have service with SDCEA, your **CAPITAL CREDITS APPEAR ON YOUR NOVEMBER BILL**. (Or, if you are no longer a member, your capital credit check is mailed in December.)

Names continued from page 10 of magazine.
